**U.S.A. vs. Clifford Hansford**

**Docket No. 5:01-CR-235-1H**

**Petition for Action on Supervised Release**

COMES NOW Keith W. Lawrence, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Clifford Hansford, who, upon an earlier plea of guilty to three counts of Bank Robbery, in violation of 18 U.S.C. § 2113(a), was sentenced by the Honorable Malcolm J. Howard, Senior U.S. District Judge, on November 13, 2002, to the custody of the Bureau of Prisons for a term of 151 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
3. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
4. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
5. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

On July 12, 2012, the defendant's supervision was modified to include the NCE Sex Offender conditions. Clifford Hansford was released from custody on August 30, 2012, at which time the term of supervised release commenced.

On January 10, 2013, the defendant's supervision was modified to include cognitive behavioral treatment. On March 25, 2013, as a result of the defendant testing positive for cocaine and being charged with Driving While License Revoked, a Violation report was forwarded to the court.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:** On April 5, 2013, Hansford committed the offenses of Driving While License Revoked and Expired Registration(13 CR 703312), in Harnett County, North Carolina. As a sanction for this conduct, and in an effort to deter future criminal conduct, we are recommending that the conditions of supervised release be modified to include 16 hours of community service. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall perform 16 hours of community service as directed by the probation office and if referred for placement and monitoring by the State of North Carolina, pay the required \$200 fee.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
